CNC & VMC TOOLINGS

SANGTECK

CNC & VMC Toolings

Sangteck, the global tooling brand from the house of SANGTECK TOOLINGS INDIA Pvt. Ltd., is a world-renowned high-quality tooling manufacturing company in India.

It's an ISO 9001:2015 certified company located at Coimbatore, Tamilnadu, INDIA. We are a leading supplier of ever-increasing "range" of high-quality tools used in a variety of markets and applications throughout the world. Enterprise is serving the market for last 8 years.

We are the Quality tool holders spares Manufacturer, importer and exporter in India and offers Engineering Excellence for the world's most demanding industries. Our Tools range includes milling cutter screws, u-drill screws, turning tool holder spares like shim, shim pin, top-clamp ,top-clamp screws, clasp. Milling cutter spares.like Wedges screws, top-clamp , top-clamp screws etc.. As a Leader in Tools Industry, we always focus on Quality and customer satisfaction Which makes us different from other Tooling Companies.

We are fortunate to win the trust of millions of users worldwide with an incessant zeal for innovation, upgradation, new technology applications and quality-quotient enhancement. Throughout the years, we have seen many changes and tailored our business model to accommodate them. One thing that hasn't changed is our commitment to the quality tools manufacturing which has become the unmatched USP. Our continued focus on expertise and service are the foundation of our success. Our products are known for consistent, quality manufacturing and performance that outlasts competitors.

SANGTECK strong Manufacturing Program is well supported by implemented lean management system. An overall ecosystem is well complemented by aggressive, modern marketing techniques.

We always insist on the principal of the best quality, on time delivery, best service and reasonable price.
